Be sure to save and (if possible) print a copy of this email for your records.

Here's an illustrated list of steps you'll want to follow to activate your upgrade and download the upgrade.

1) Visit <http://www.digidesign.com/activation>. At this website, enter the activation code from the email sent to you from Sweetwater.

[www.digidesign.com/activation](http://www.digidesign.com/activation)

**TIP:** *you can copy-and-paste the code, but make sure there are no extra spaces before or after the activation code, and no punctuation like commas included.*

**NOTE:** *if you choose to type the code into this field, be sure to enter it precisely as written in the email. Use capital and lower case letters, add dashes where printed, etc.*

2) Once you've verified the activation code is entered correctly, click the 'CONTINUE' button to proceed to the next page. As in the example below, you'll be asked to log into your MyDigi account using an email address and password.

If you haven't already created a MyDigi account, click "Create Profile" to make your own MyDigi account profile. *(if you have registered and/or activated a Digidesign product, it is likely you already have a MyDigi account)*
