

## **Aurora / AES16 / LT-HD Free Cable Offer**

Thank you for purchasing the Lynx Aurora converter and AES16 or LT-HD interface. You have bought a world-class addition to your studio that should serve you for many years to come. Please read through the rules below, then fill in the form on the next page and send it to us.

### **Rules and Regulations:**

1. Customer must purchase either a new Lynx AES16 interface or new LT-HD along with a new Aurora 8 or new Aurora 16 converter from an authorized and participating US or Canadian retailer.
2. Aurora and AES16 must be purchased between June 15, 2007 and July 31, 2007.
3. Customer must mail or fax the form on the next page and a copy of the sales invoice to Lynx Studio Technology. These forms **must be received by August 20, 2007**.
4. Upon dealer verification, Lynx will ship the cables directly to the customer without delay. There is no added cost to the customer - Lynx will pay all ground shipping costs. Customer may choose to use an expedited service at your own expense.
5. Free cables will only be shipped within the US and Canada.
6. Offer void where not allowed by local and state laws.

Purchasers of **AES16 plus Aurora 16** will receive: Two CBL-AIN85 analog input cables; two CBL-AOUT85 analog output cables; and two CBL-AES1605 cables for the digital interface between the Aurora and AES16. Retail value: \$440.00.

Purchasers of **AES16 plus Aurora 8** will receive: one CBL-AIN85 analog input cable; one CBL-AOUT85 analog output cable; and one CBL-AES1605 cable for the digital interface between the Aurora and AES16. Retail value: \$220.00.

Purchasers of **LT-HD plus Aurora 16** will receive: Two CBL-AIN85 analog input cables and two CBL-AOUT85 analog output cables. Does not include Digilink cable. Retail value: \$320.00.

Purchasers of **LT-HD plus Aurora 8** will receive: one CBL-AIN85 analog input cable and one CBL-AOUT85 analog output cable. Does not include Digilink cable. Retail value: \$160.00.

Forms and invoice copies can be mailed to:
